Dear Brandi:

It was a pleasure to meet with you on June 26, 2023. Thank you for your letter providing me with information about the advocacy resolutions adopted at the Alberta School Councils' Association (ASCA) annual general meeting held from April 21 to 23, 2023. I appreciate the opportunity to respond.

Alberta's government values the feedback provided by educational partners on how we can improve the educational system for all teachers, teacher leaders, staff, students, and parents.

I commend ASCA on its continued commitment to promoting and preserving meaningful parental involvement in our province's Kindergarten to Grade 12 education system, and I look forward to working with ASCA, and with education stakeholders from across the province, to ensure that all students in Alberta receive the best education possible.

Best,

Demetrios Nicolaides
Minister of Education
