

CALL FOR Advocacy Resolutions for the ASCA AGM April 28, 2024

Parents on school councils shape the future of Alberta's public education system with input through advocacy resolutions presented at the ASCA provincial Annual General Meeting (AGM).

To influence change in education, school councils in Alberta identify issues in provincial education affecting early childhood services (ECS) to grade 12 students, that they would like addressed, changed, or resolved, and submit a **Proposed Advocacy Resolution Form** to ASCA for the discussion and consideration of members attending the AGM.

Resolutions that receive majority support from voting parent school council members at the 2024 AGM become belief statements, or directives for action, and form advisory positions as Advocacy Policy of the association.

Advocacy Policy is the direction, or guiding statements, that represent the views of ASCA members and are presented as the collective voice, or perspective, of parents on school councils in Alberta.

These views are expressed at advisory committee tables when ASCA is invited to work with government, the Education Ministry, and other provincial groups, on education policy, programs, and practice.

All school councils with current ASCA membership can sponsor (submit) a **Proposed Advocacy Resolution (PAR)** and register parent representatives to attend and vote on behalf of their school council, for the ASCA Annual General Meeting.
