School Councils

Spring Symposium 2025

The Consortium (previously known as ARPDC) consists of one provincial office (Consortium provincial francophone), which serves the Francophone education community and supports the regional office work in French Immersion and French as a Second language, and six regional offices that work with school authorities in their region. All seven offices leverage technology and collaborative planning to make learning opportunities available across the province. Mission: To provide high quality professional learning opportunities for Alberta's educational community.
